

# FABBRICA

# FABBRICA

## A GERMAN HERITAGE SINCE 1998

In 1998, Armin Eberlein established Fabbriica, the Italian word for factory, launching a brand that epitomizes industrial minimalism tailored for the German market. Today, Fabbriica's founding inspiration has transformed into a refined and contemporary style, upholding its dedication to chic minimalism while embracing the evolving design landscape. The collection, a dynamic collaboration with young European designers, effortlessly fuses eclectic ideas, presenting an inspiring array for a vibrant celebration of stylish living.

Home is not just about furniture;  
it is a celebration of everyday life.

Ottoman • ACC-FA-5267 • RDFST in fabric BAT-07A collection Beatrice.

# LEATHER

Our leather comes from top cattle breeders in South America and Australia.

Using modern technologies to process leather environmentally friendly in compliance with environmental regulations, we choose only the finest hides for our leather and tanning process, which is carried out at our state-of-the-art tannery facilities.

With over 200 colours, finishes and quality options to choose from, we have created an exclusive leather line to fit every home and lifestyle.

**NAPOLI**

NAPOLI (NP) is an ultra soft, matte sheen leather and is one of our finest corrected grain leather that is naturally pebbled and finished using micro pigment with a protective coat.

Thickness: 1.1 – 1.3mm  
Type: Protected

**NEW GEORGIA**

New Georgia (NW) is a leather that has been fully corrected. To enhance colour uniformity and stain resistance, it is buffed and embossed with a protective coating. Providing economical leather with the promise of performance, New Georgia is the perfect choice. .

Thickness: 1.1 - 1.3mm  
Type: Protected

**NEW CLUB**

NEW CLUB (NC) a top grain leather corrected with an embossed texture made from our premium hides. Finished with a layer of protective coat to enhance its durability and hard-wearing properties yet provides the comfort touch & rich grain appearance with consistency in quality finished.

Thickness: 1.4 – 1.6mm  
Type: Protected

**TREND**

TREND (TD) is a lightly buffed, leather using premium hides that are specially re-tanned with vegetable tannins & vacuum dried to achieve its tight, flat and yet soft & rich hand touch. Its finishing offers a two-tone effect on surface character to the hides.

Thickness: 1.1 – 1.3mm  
Type: Aniline Plus

**ROYAL**

ROYAL (RY) is a thick, corrected-grain leather with a natural pebble texture.

Thickness: 1.4 – 1.6mm  
Type: Protected

# FABRIC

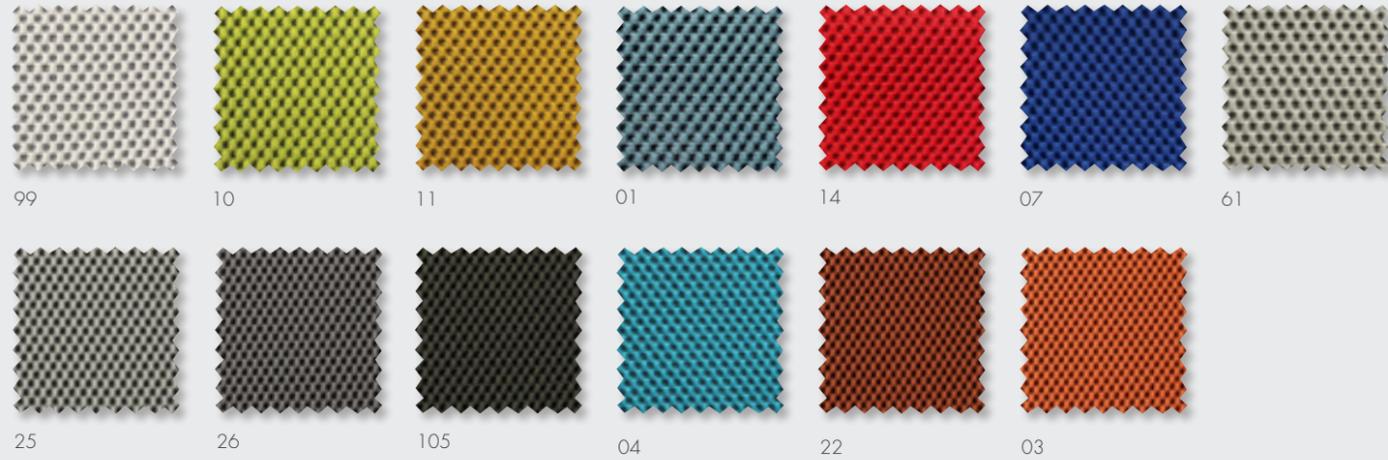

With our collection of fabrics, you will be able to express your style and personality to the fullest.

Designed to suit every space and every homemaker's needs. They undergo rigorous testing and selection for designs, materials, and technological features, in order to achieve the maximum level of comfort and to be in compliance with all environmental requirements.

**BALLOON**

Balloon is a knitted three-dimensional spacer upholstery textile combining function and aesthetics in an innovation manner that challenges designers and invite them to push the boundaries of their design solutions.

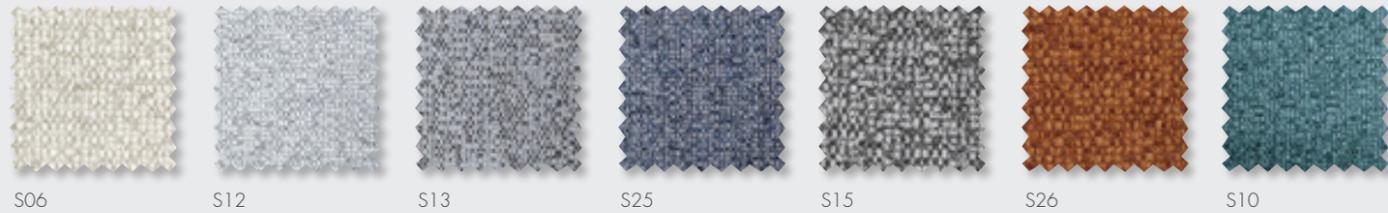

Weight: 560gsm  
Composition: 100% polyester

**BELIEVE-S**

Using special chenille yarns and contrasting colors in the warp, Believe-S is a fabric that celebrates the beauty of texture and is both pleasing to the eye and pleasing to the hand. As a heavy domestic fabric, Believe-S is ideal for families who require durability and comfort.

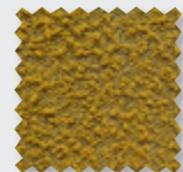

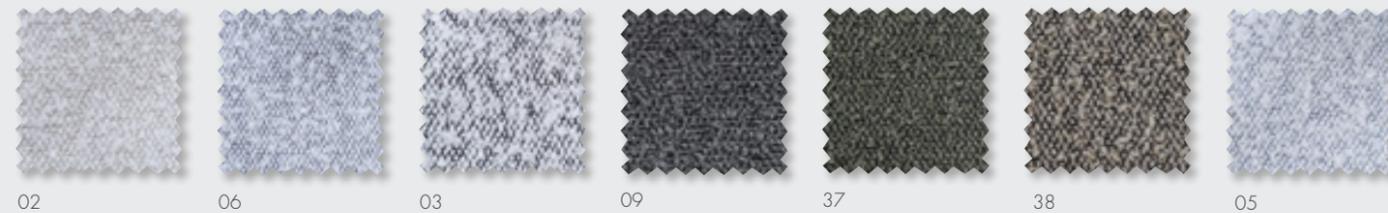

Weight: 390gsm  
Composition: 96% polyester, 4% acrylic

**BELMONT**

Belmont is a robust and textural upholstery fabric that is both timeless and right on trend. Made from 36.88% recycled polyester, in combination with the sustainable production methods, Belmont is a fabric that offers the highest quality and eco-friendly choice with unsurpassed durability and lasting comfort.

Weight: 630gsm  
Composition: 36.88% Recycled Polyester, 44.97% Polyester, 18.15% Acrylic

39

**CLOUD**

Cloud is texturally pleasing and soft, with a distinctively boucle surface and a cozy looped yarn interwoven surface that strikes the ideal mix of casual luxury and coziness. Cloud is a breathable fabric that is incredibly long-lasting, perfect for busy living spaces, and provides year-round comfort regardless of the season.

Weight: 570gsm  
Composition: 81% polypropylene, 19% polyester

**CHACHA-S**

Inspired by ancient raffia weaves, Chacha-S tweed has a faded, classical yet contemporary look. The warp and weft are intertwined highlighting the structure and texture of the fabric. Chacha-S is all about seamlessly fusing functionality with beauty.

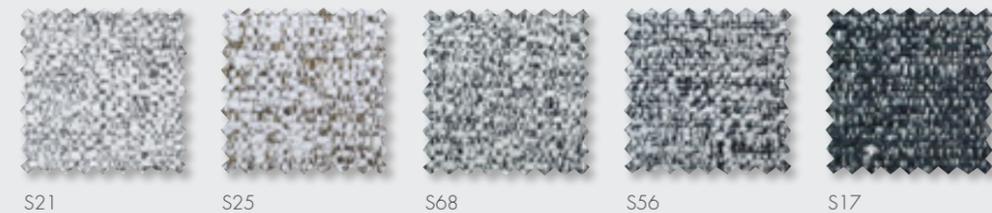

Weight: 420gsm  
Composition: 100% Polyester

**CHILE-S**

Chile-S is great fabric with fancy yarn, it has a retro feel, soft handle touch. A great accompaniment to different styles, with its two-tone effect and vibrant colours.

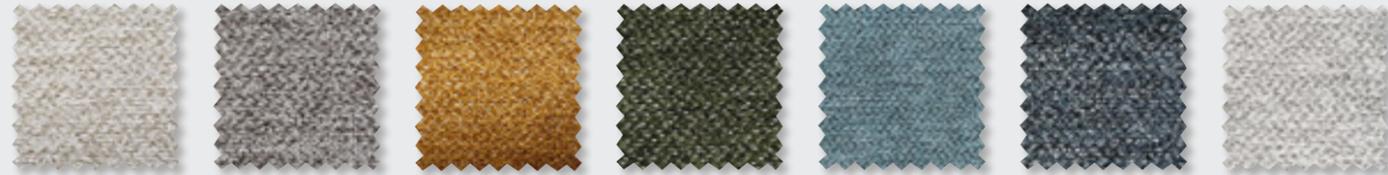

Weight: 340gsm  
Composition: 100% polyester

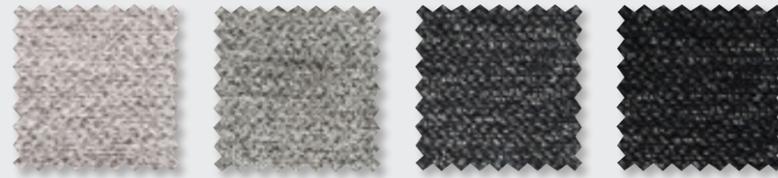

**FRIDAY-S**

Soft and warm to the touch, Friday-Sw is the perfect fabric to lounge on. With its contrasting colours, the contemporary rich palette exudes a modern vibe. As a heavy domestic fabric, Friday-S is perfect for families who need durability and comfort to different styles, with its two-tone effect and vibrant colours.

Weight: 370gsm  
Composition: 86.5% polyester,  
10% Viscose, 3.5% Nylon

S111 S160 S271 S355 S301 S330 S151

S451 S464 S463 S421

**MARVIE**

Marvie is a modern textural weave constructed with a mixed of different colours and yarn typologies, gives a contrasting coloured and irregular feeling to the surface and determines its unique personality.

Weight: 610gsm  
Composition: 92% Polyester,  
8% Acrylic

112 110 458 459

**MEG**

Meg is a velvet inspired by silk's warmth. Weaved from special long fibers, this fabric has a textured appearance. The short plush is dense, soft, and smooth to the skin. Its unique textile technology gives the surface a high-level velvet effect. Its elasticity, soft hand feel, as well as its own special gloss, give it a touch of elegance.

Weight: 450gsm  
Composition: 100% polyester
